

La Reata Dance After The Game Tonight

Mercante Discloses Plans

Making a big affair of the annual Homecoming Day is Alpha Gamma Sigma which has planned open house, a parade, and a dance following the game with Menlo, on Friday, November 21.

Under the chairmanship of Tony Mercante, a committee of Alpha Gamma Sigma members is completing the plans for the appearance of the Homecoming Queen and a parade which is scheduled tentatively to be held at 2 o'clock on Main Street.

Mercante

The rally committee's float will carry the queen who will appear in the float during halftime festivities at the Menlo game. It is expected that each active club on the campus will enter a float, with the provision that the maximum expenditure for each entry is \$10. Proceeds from the evening's dance will go towards the refunding of \$5 to each club that entered a float. A prize will be awarded for originality for the float which has the best theme. It is hoped that all classes at J.C. will be dismissed during the time of the parade.

QUEEN TO BE CHOSEN

An election will be held in the near future to choose approximately six candidates for Homecoming Queen. From these candidates, Her Majesty will be selected by a joint committee of Alpha Gamma Sigma members, alumni, student body members, and possibly a few faculty members.

All Salinas J.C. alumni are invited to attend open house during the day, at which time they are free to sit in on the classes. Alumni will also be the guests of the student body at the dance following the evening's game. Proceeds of the dance that are in excess to the amount refunded to the clubs which entered floats will go into the student union fund.

The Alumni Association may have an alumni dinner before the game, but as yet, it is still indefinite.

Last year's Homecoming Day was not too well attended, but it is expected that with this year's fine program, lots of school spirit will be shown.

Veterans May Get Full Benefits From G.I. Bill

Mr. John B. Lemos, president of Salinas Junior College, released this week a letter from the State Department of Education which will gladden the hearts and pocketbooks of student veterans.

"S.J.C. is billing the Veterans' Administration for student

body fees of veterans under the G.I. Bill this semester. As soon as these bills are paid by the V.A., refunds will be made to vets," Mr. Lemos announced.

Supplies and equipment have been authorized, and student vets under the G.I. Bill may again line up at the bookstore without worrying about the high finances. Vets attending junior college here have held several meetings regarding the issue which is no longer a problem. The letter from the Department of Education of California follows:

"Dear Mr. Lemos:

"Here it is—the information for which you have been waiting.

"An important telegram from Veterans' Administration, Washington, D.C., has just been received. Payment of vouchers covering customary charges for supplies, equipment, and student body fees in junior colleges has been authorized. Books, as you know, were cleared previously.

"Detailed information relative to the preparation and submission of reclaim vouchers will be forwarded through circular letter at an early date.

"Very sincerely yours,"

A. C. Jensen, Chief, Division of Readjustment Education

COMMISSION AT WORK

Yell leaders and finances led the agenda at Tuesday's meeting of the Student Commission, the main part of the discussion centering around the debt incurred in chartering the bus to the Modesto game and possible means of alleviating the situation.

One suggestion was to long and loudly promote the Wednesday noon dances, and after a degree of popularity is reached, turn the guests into paying cus-

VYEDA'S BAND TO PLAY AT MEN'S GYM

Dancing will be held tonight from 10:30 to 1 o'clock in the men's gym to the music of Tony Vyeda and his nine-piece orchestra. The dance, which is sponsored by La Reata and The Panther Sentinel, will follow the Santa Rosa-S.J.C. football game, and, it is hoped, will celebrate Salinas' victory over the visiting team.

Admission to the dance is \$1.10 per couple and 75 cents for stags. Refreshments will be served during the course of the evening.

Photographs from La Reata will be present to take pictures of the dancers for the college annual which will come out in May. All proceeds from the affair go to the publications department to be used toward cutting the cost of the yearbook.

Handling arrangements for the dance are Norman Nuck and Pat Smythe, co-chairmen, assisted by Richard O'Shaughnessy, finances; Frank Garner, decorations; John Eastman, music; Phil Trine, publicity; and Alice Macartney, refreshments.

Turney Is Victor In Election

As a result of the run-off election last Friday, Bob Turney will preside as president of the Freshman class. Bob received 94 ballots to his opponent, Doug Milton's, 70.

Don Mitts with 82 votes won over Pat Davlin's 71 votes to occupy the vice-presidency of the frosh. The position of secretary-treasurer of the freshman group will be held by Al Garner with 85 counts to Janice Lund's 72.

The job of commissioner of the Freshman class will be assumed by John Light who tallied 120 ballots to Dick Rohrbacher's 93.

Mary Anderson was elected as U.G.C. president with 85 tallies over Barbara Timmins who received 64 votes. In the only three-cornered race, for the vice-presidency of U.G.C., Carolyn Harris

Panthers Tackle Santa Rosa

"Fun for everyone" will be the theme of tonight's Santa Rosa-S.J.C. football game and the La Reata-Panther Sentinel dance which will follow the first home conference tilt of the year. A sellout crowd is anticipated for the Panther-Cubs' grid battle which gets under way at 8 o'clock under the arc lights of Salinas Stadium.

Coach Bob Robinett and his maroon and gold gridders will be out to regain their winning ways which were rudely interrupted by the Modesto Pirates in last week's encounter.

CRUCIAL CONTEST

Although the season is only three weeks old, the battle shapes up as a crucial for both squads. A win for either team will throw them into the thick of the N.C.J.C.C. title race whereas a loss will serve adversely.

Santa Rose will enter the contest boasting wins over Santa Clara Frosh, San Mateo, and Placer with their only setback coming at the hands of the potent Cal Ramblers, in their season opener.

NAPOLI BACK

Don Napoli

Hopes of Panther rooters

skyrocketed with the return of

Don Napoli to the S.J.C. roster.

Don can best be remembered for

his brilliant play in the closing

games of last season and his re-

turn should strengthen the local

cause considerably. Coach Robi-

nnett plans to use Napoli at the

quarterback slot to spell "iron

man" Charlie Mornard who put

in 60-minute performances against

both Stockton and Modesto.

Big threat of the Santa Rosa attack seems to rest in big George Logorio, 195-pound Cub halfback who has run roughshod over all opposition to date. Logorio's ground gaining tactics are sure to be challenged by the rugged Panther line, headed by the Garner brothers, Chet and Al. Another Cub threat is Hawaiian-born Bill Hubel, who accounted for seven Santa Rosa T.D.'s in last year's play.

GROUND GAME STRONG

Last week's Modesto game pro-

duced a strong Salinas ground

game, in the form of Russ

Bohlke and Doyle Burnett who

ran for huge gains in the first

half of the Pirate tilt. The added

the following three: sideburns, mustache, or goatee. However, for men who just can't grow a beard, or for business reasons must shave, the bow tie must be worn.

It has been suggested by vigilantes that any prospective violators of the Whiskerino wear old clothes.

Awards will be given at the men's Club dinner on October 31, when the Whiskerino and Ribbonero officially end. The Ribbonero will give three awards: for the most original, funniest, and prettiest ribbons.

Men's awards will be given for the most original, thickest, and longest beards.

Help Wanted

SANTA RITA NEEDS SCHOOL BUS DRIVER

Mr. William Schultz, vocational and guidance dean, announces that a bus driving job is open with the Santa Rita Elementary School. Applicants must be 18 years of age and have a chauffeur's license.

The job will pay an average of \$1.25 per hour, and the approximate working hours will be 7:30 to 9 and 2 to 4 o'clock.

The placement bulletin board has carried this notice for the last three weeks and as yet there have been no takers. The children at the Santa Rita school are really desperate for somebody to take them back and forth to school.

Anyone interested should see Mr. Schultz as soon as possible.

TURNEY . . .

COMMISSION . . .

(Continued From Page 1)

tomers by suddenly springing a 10 or 15 cent charge at the door.

It was finally decided that the deficit be made up by taking the \$54.82 out of the budget of the Social Activities Committee and transferring it to the Rally Committee budget from whence it is to be paid to the Bay Rapid Transit Company who supplied the bus.

Due to a favorable public opinion regarding his impromptu performance at last Saturday's game, Jim Amos was suggested as a possible new addition to Phil Cordrey's cheer leading crew. The appointment is pending.

Regarding the juke box in the cafeteria, the commission was told that the records will be changed soon and that the income from the machine will be a help to student finances.

A note of warning was injected into the discussion and commissioners were reminded that the nickelodeon is remaining at the school on a purely probationary basis, and if it is found to be so noisy as to interfere with nearby classrooms it will be removed.

President John Eastman suggested that some means of fixing the volume control so the machine cannot be turned up too loudly.

Phil Trine, commissioner of public relations, brought up the possibility of having our own voting booths so we won't have to borrow them from the courthouse. Plans will be drawn up and the booths will be turned out by the boys at Hartnell A. and M.

Loren Ingols reminded those present that winter is upon us and the time for the annual Winter Ball is just around the corner. Charlie Mornard was appointed to look into the problem of a suitable location for the affair, preferably on the Monterey Peninsula, since both last year's Prom and Winter Ball were held at Rio Del Mar, near Santa Cruz.

Contest Open

Undergraduate students may enter in the short story contest sponsored by the magazine "Tomorrow." Deadline for the stories is December 31, 1947, and more than one story may be entered by a contestant.

None of the stories are to exceed 5,000 words. First prize will be \$500 and \$250 will be awarded for second prize.

INTRAMURAL BOXING

Winning 6-0, over John Vucina, the Joe Simmons grid team took a hard fought battle last week. It was the only game played last week as intramural football slowed down.

Walt Trotter's Aces forfeited their game last week to Burns. Phil Trine and Ray Marnach got together and postponed last Friday's game to an indefinite date.

Next Monday, Les Hiserman and Vucina are scheduled to battle it out, Trotter vs. Marnach on Tuesday, and on Thursday of next week, Trine is on the schedule with Bob Meese.

Badminton Tourney

Gerald Skillicorn held the top spot on the badminton ladder during the first week of the tournament. Coming up from last place, Leroy Riordan eliminated players until he placed himself next to Skillicorn. Also during the past week, Bob Womack went forward from sixteenth place to seventh and Tom Black entered the race and worked his way past eight persons to hold fourteenth place.

Following is the complete standing as of early in the week: Gerald Skillicorn, Leroy Riordan, James Perchesky, Bob Vesssey, Roy Wright, Price King, Bob Womack, Martin O'Grady, Phil Trine, Bill Head, Jim Birch, Ron Wardle, Dick Hawk, Tim Black, Al Canepa, Ed Dysle, Fred Wright, Jim Heizinger, Bob Thorne, Bud Abbott, Richard Hallward, and Ray Marnach.

Navy Chaplain Speaks Here Next Monday

There will be a guest speaker at the next Episcopalian Club meeting which is to be held Monday, October 20, at 11 o'clock in Room 25. The guest speaker will be Chaplain George Hall who was a former navy chaplain and also a former chaplain from Stanford University. His speech will deal with Canterbury clubs and will be followed by questions from the students.

Miss Lucille Bresnan is advisor to this group and announces that everyone is invited to this and every meeting, as the club is not limited to Episcopalian students.

Additional Sports

INTRAMURAL

"College boxing on a large scale may return to Salinas Junior College if enough men show interest in signing up and turning out," according to Coach Bob Robinett.

Robinett claims little difficulty will be encountered in scheduling boxing bouts with the various junior colleges and colleges if he can garner enough material to produce a representative squad.

Last year, the sport was partially restored to its pre-war status, but the number of men interested did not warrant a complete schedule.

This season, the Panther pugilists are expected to entertain the home crowd in a couple of intercollegiate bouts in Salinas, hoping to stimulate local backing.

Upsilon Gamma Chi Plans Activities

Miss June Handley presided over the October 15 Upsilon Gamma Chi meeting which was held at 11 o'clock in the women's gym. The three most important functions of the Upsilon Gamma Chi were discussed. They are the Sadie Hawkins' Day and Dance, the Christmas party and the Spring Picnic.

Since the officers were not yet elected at the time of this meeting, nothing was made final.

Discussion was held on having the Sadie Hawkins' Day and Dance either in the fall or in the spring; to have a Sadie Hawkins' race; a pie eating contest, and sack races on the Sadie Hawkins' Field Day and also to have the students come in costume for the Sadie Hawkins' dance.

Another matter taken up was having the annual Christmas Party for all students on the last Thursday before Christmas. Entertainment by the students will be a part of this year's Christmas Party.

ART GALLERY DISPLAYS J.C.

Last semester's best water color sketches are on display in the art gallery this week. The pictures were done by Joseph Bragdon, former Art Club president from Pacific Grove; Robert Kensinger, vice-president of the Art Club from Santa Cruz; Steve Pista and Charles Moresi from Watsonville, and Carroll Briggs from Carmel.

All of these students are art majors and do some of the best art work in the school. Also, there are paintings from two members of last year's graduating class, Edith Beck and Charles Link. Link is now attending College of Arts and Crafts in Berkeley with a scholarship he was awarded while in Salinas Junior College.

Next week, pencil sketches are going to be exhibited with Mr. Amyx doing the honors. Being shown are 75 quick sketches of his children. These sketches were done very rapidly while the children were in action.

Honor Society Elects Mercante

Election of officers and initiation of new members were the order of business in last Tuesday's meeting of the Alpha Gamma Sigma.

Tony Mercante was elected to the post of president for the ensuing semester. Other officers elected during the meeting were: vice-president, Stanley Scott; secretary, Mary Anderson; and treasurer, Phyllis Smith.

After the initiation of the new members, Dr. Luella Hall, advisor for the local chapter, gave a short talk familiarizing the members of the club with the background of the Greek letter societies, principally Phi Beta Kappa.

Included in the agenda for the day was a report from Tony Mercante, chairman of the homecoming committee. Another item of business was the club dues which were set at 50 cents for the semester.

Those initiated during the meeting were: Oscar Burke, Albert Canepa, Francis Carney, Walter Cooper, David Farrow, Jr., Dale Gatlin, Joseph Herson, James McNeill, Donald Mitts, William Omoto, Leroy Riordan, Melvin Smith, and Lee Yancey.

Commissioner Ingols

Pictured above is Loren Ingols, commissioner of social activities, from Santa Cruz. Loren, a navy veteran, is in his sophomore year at Salinas Junior College.

* * * *

Social Activities Handled by Ingols

Commissioner of Social Activities Loren Ingols was born in the state of infancy in the spring of 1927. San Mateo, California, was his birthplace, but in 1928, his family moved to Santa Cruz where they have remained ever since.

During his high school years, Loren lettered in track and football, and he organized a pep band for Santa Cruz High School which played for football games and rallies. He became mayor of the teen-age canteen in 1944 and served in that capacity until he entered the navy.

After 18 months in the armed forces, the present commissioner returned and entered Salinas J.C. Playing drums in the school band took up most of his outside time last year.

Although he is now a business administration major, Loren feels that he would like to enter the entertainment world after completing his J.C. years.

In describing himself, Loren states that he is 5 feet 7 inches tall, has brown and tantalizing eyes and hair—receding. His hobby is collecting records and he boasts a group of about 500 popular and classical recordings.

GOODFRIEND'S JEWELERS
218 MAIN STREET - SALINAS

ADAMS INSTALLS FAST BREAK; PRACTICE IN FULL SWING

Daily basketball practice in the gym is in high gear with large turnouts practicing every afternoon, and sometimes during the evening. Coach Adams has the boys working on their set-up shots, fast break, dribbling drills, guarding, offensive set-up plays, and defensive guarding.

The Panther basketballers have a large schedule this season, so this early learning of the fast break system, and other good systems of beating the other team to the scoring punch, is going to prove very valuable when the time for the first conference tilt arrives.

Coach Adams believes in out-classing the opposing team with fast, sure scoring plays. Many of the men practicing daily are old faces to the students, while a good many are entirely new.

The Dillingham brothers are practicing a drive-in shot every afternoon and should score with it when the first game comes around.

Dan Vidovich, a new face on the court this season, seems to be hitting the bucket with consistency, and should prove to be deadly against opposition this season. Jerry Hoagland, a good man under the bucket, is swishing them through the net from beyond the foul line with deadly passing very good, and he is

setting up scoring plays during the fast-break exercise.

The whole turnout of basketballers have been practicing very hard, and if this is any indication that a good team is forming, all opposition this season had better look out. To close the basketball practice every night, Les Hiserman stands in the middle of the court and shoots a long shot. Coach Adams figures Les will make one before the first game rolls around.

SANTA ROSA . . .

GAME STARS

Russ Bohlke and Doyle Burnett, hard-running Panther backs, who took the feature roles in the Salinas ground attack against Modesto last Friday night.

BOHLKE TOPS SALINAS J.C.

Russ Bohlke leads the list of Salinas Junior College ground gainers in the first two conference games played thus far this season.

Bohlke, hard plowing fullback, battered for 76 yards in the Modesto clash, averaging 5.8 yards per carry. Doyle Burnett averaged 5.8 yards per attempt in grinding out 53 yards in 9 packs.

Clarence Twitchell, in the first two conference tilts, has averaged 39 plus on his punts. Most colleges would be glad to obtain a kicker of Twitchell's caliber.

Panther Bows To Pirate First Conference Loss

Unable to protect a 14-6 half-time advantage, the Salinas Junior College Panthers dropped their initial N.C.J.C.C. grid contest to the Modesto Pirates, 32-14, at the Modesto field last Friday night.

Unleashing a terrific ground attack, the local eleven piled up 12 first downs in the first half. Spotting the Modesto crew to an early six-point lead, the Panthers retaliated with two rapid-fire touch-downs. Modesto overcame the midway deficit aided by penalties, fumbles, and a series of bad breaks for the Maroon and Gold.

Modesto's Ken Rose leaped on a Salinas lateral that went wild into the end zone to enable the Panthers to take a 6-0 margin in the first quarter. Salinas came back quickly, driving 66 yards on six plays.

Charlie Mornard returned the kick-off to the Salinas 34. Clarence Twitchell hit the center for 2. Russ Bohlke sliced off tackle for 9 yards and a first down on the Salinas 44. On the next play, Mornard shoveled a lateral to Doyle Burnett who heaved a 50-yard pass to Jim Morrison to place the pigskin on the Modesto five.

Bohlke cracked over the center for three yards, but was held short of the goal line on his second attempt. Twitchell plunged across to tie the score at 6-6. Chet Garnero broke the deadlock as his conversion kick split the uprights.

Later in the second period, Bohlke tramped off tackle for a brilliant 39-yard jaunt to the Modesto 30. In four more plays, the Panthers traveled to the Modesto 9. There the attack stalled with the Pirates holding off the Salinas horde. Rose kicked out to the Modesto 30 and Mornard returned to the 25.

Burnett found a hole at tackle and sped to the 17. Mornard flipped a pass to Jim Morrison

Armistice Day Grid Tilt Set

Hollister Junior College will resume its athletic ties with Salinas Junior College in their off-again-on-again Armistice Day football contest on November 11.

After a great deal of negotiations, the Ramblers decided they would be able to field a representative eleven against the Panthers. The Hollister backfield, which was lured to greener pastures at Fresno State has returned to the Hollister fold.

in the end zone for the second tally. Garnero booted home the 14th point.

Bohlke and Burnett spearheaded the Salinas attack the first half, displaying plenty of drive and power in their whirling runs.

Modesto, in a sudden reversal of form, came back strong in the second half. The officials added to the Salinas dilemma, marching off 65 yards against the locals in crucial spots during the last half.

The Panthers had the edge in practically every department, but the scoreboard told the sad story. Rolling up 15 first downs to the Pirates' 7 gives an indication that the locals were the better eleven.

Look your best!
